## JOSHUA WOLD.COM

My area of expertise is website design. I handcode HTML and CSS. I work in Photoshop and Illustrator and primarily use WordPress as a Content Management System. My talents include logo design, web design, and brochure layout. I'm a minimalist and believe websites must convey a message clearly and without distractions.

### SABRAMEDIA

2007 - present: designer, co-founder. I work with an awesome team. Our time at Sabramedia is split between working on our Content Management Software for newspapers (Newsroom) and doing amazing web projects for our clients.

### KEY SCREEN PRINTING

2004 - 2007, graphic artist. Working at a screen printing shop was a lot of fun. As the in-house graphic artist my job was to take any design that I was given, or a design I would create myself, and lay it out in Adobe Illustrator ready to print onto the clothes.

### QUALITIES

Outgoing, energetic, and friendly; not afraid of hard work and passionate about design

### HOBBIES

I enjoy art, sketching, and anything related to design. I often sketch designs on paper before touching a computer. I run, tree climb, hike, and swim.

### EDUCATION

Co-Founder of Web Design business since the age of 19 (2007).  
One year of college, age 17, Folsom Lake College, Sacramento, CA GPA 3.89 (2004).  
Graduated High School age 16, from Visions in Education Charter School (2004).
